# Welcome to *Kwinana Tigers Hockey Club*

Welcome to 2017!

This season looks to be another successful year for the Kwinana Tigers Hockey Club. Our Minkey and junior members are increasing in numbers and developing excellent skills, team structures, and most importantly, having fun.

The clubs senior teams were once again competitive last year, with the turf men's team making finals & our ladies turf team continuing to improve.

Our mission is to provide a safe, efficient structure and friendly social family orientated environment in which to play, enjoy and succeed in the sport of hockey. Also, one in which individual members skills and team ambitions and may be pursued and developed.

Big thanks go to the committee for their hard work over the summer. The club is looking to continue both the on field and off-field success experienced last year. To help the club run successfully, many hands are needed, members are expected the help with umpiring and fundraising events throughout this season.

Together the club can have a great 2017!

Kind Regards,

Mick Matthews  
(President)
