

Dear Parents,

This year's school production is Disney's Peter Pan Junior. The play will run from **Kennedy Baptist College Auditorium, Murdoch** on **Saturday 28th October 2017**.

With the school now double streamed, the Production Committee in collaboration with the Leadership Team have decided to present this play on one day, with a Matinee and Twilight performance in a theatre with a larger seating size. Saturday was put forward as the best performance day as the day-time/early evening performances will ensure all students and staff will be fresh and able to put their best performance forward. The Matinee performance will commence at 2:15pm and the Twilight performance will start at 5:15pm

Students in Kindy and Pre-primary will perform only during the Matinee as a Prelude (before the play). Parents are encouraged to purchase a seat for their K-PP child so they can sit and watch the rest of the show following their performance. This new way of organising the production will be less demanding on the younger children. Students in Years One to Six will perform at both the Matinee and Twilight Shows.

Each school family will be allocated **six tickets**. Ticket prices are \$17 for adults, \$12 for students, child or concession cardholder. Tickets can only be purchased online through **Trybooking**. All tickets will be available for sale from Monday 11st September 2017 to Wednesday 18th October 2017. Following this date, any unsold tickets will be available for sale through Trybooking until sold out. A videographer has been organised to film both performances for your purchase as well.

As this is a school event there is an expectation that every child attend this production. As the term progresses, further notes or information via the newsletter will be come out; please look out for them so that you can keep up to date with what is happening. All notes will be placed on the St Vincent's School Website and Facebook Page for you to access. Should you have any enquiries about the production do not hesitate to contact myself, Christine Scanlan or your child's classroom teacher.

It is envisaged that the production will not only be an exciting event for the school but also a celebration of your child's/children's talents. We look forward to bringing this story to life.

Yours Sincerely
Katherine Johnson
Production Director
